

The screenshot displays the 'Event Data' form, which is a modal window for adding or editing event information. The form includes the following fields and controls:

- Event Name:** A text input field.
- Event Location:** A text input field.
- Event Description:** A rich text editor with a toolbar containing icons for bold, italic, underline, link, unlink, list, and image.
- Event Type:** A dropdown menu.
- Event Date:** A field with a calendar icon.
- Event Image:** A field with an image upload icon.
- Event Contacts:** A field with an 'Add' button.
- Event Addresses:** A field with an 'Add' button.

The background shows the MagnaFlow application interface, including a top navigation bar with the MagnaFlow logo and a sidebar with a 'Events' section.
